Be consoled Mama,
Be colsoled mama,
don't cry mama,
We took him and brought him home.
He just cried, saying "it's AIDS"
Go well Comrades
You are the heroes.
You have fought strongly in the battle against AIDS.
We say these words to you Simon Nkoli, Gugu Dlamini, Sibusiso Mkhize, Christopher Morape.
Your spirit is right with us.
Be consoled Mama.
Be consoled Mama.
