[Our main objective](#)

We want to make sure there is enough money allocated by the state and donors to meet the treatment and prevention targets of the NSP. We also want to make sure that money is spent correctly.

[Next meeting](#)

Our next meeting is provisionally set for 21 May 2010.

We hope to get Treasury officials to present on the challenges of health budgeting and how we can help. Email nathangeffen--AT--gmail.com if you wish to attend./>
