In the blur of fashionable handbag-like [diaper bags](#) for mom, where is a dude-like dad to turn? With this messenger diaper bag, all you dads who fear diaper duty can chill with a manly messenger diaper bag that doesn't look like a baby bag and comes with lots of handy features for on-the-go parents. Perfect for Father's Day or a Baby Shower! It's made of durable nylon that stands up to everyday use. The ergonomic across-the-chest design is super comfy and saves your shoulders. The strap is wide and adjustable with a padded panel; it easily clips open and closed for easy on-and-off. It also features a padded back for extra comfort against your body, three exterior zip-closed pockets that are perfect for wipes, an elasticized bottle pocket that easy to reach, a removable on-strap cell phone pouch, a large inner compartment with zip-closed pocket and special pouch for diapers, and two handy clips for keys (or a pacifier).
